

In a toxic world, your liver needs targeted support to do its job well.

Over time, a clear running stream can become clogged and sluggish from accumulated waste and debris. Similarly the body's detoxification channels can get clogged with accumulated waste & toxins. Environmental pollutants, food additives, alcohol, medications, metabolic byproducts and even daily stress all add to the body's toxic load.

**HepatoDetox Select**<sup>®</sup> supports healthy liver and gall bladder function with a powerful blend of researched ingredients. **The liver is our largest & most important detox organ.** Healthy liver detoxification supports increased energy & focus, sound sleep, improved digestion, balanced mood and enhanced overall well-being.\*

**HepatoDetox Select**<sup>®</sup> features premium nutrients & botanicals:

**Milk Thistle Extract** is researched to help **protect & regenerate liver tissue**, and to help support healthy bile flow & gall bladder function. Provided in a clinically effective dosage.\*

**Sulfur Amino Acids** promote synthesis of antioxidant glutathione and bile, enabling liver detox & clearance of toxins (notably PCBs and other estrogenic compounds).\*

**Activated B Vitamins** are required to **enable key liver detoxification processes**.\*

**Ox Bile Extract** stimulates liver to release bile for clearance of toxins & digestion of fats.\*

**Choline & Inositol** help the liver to release fats, to which many toxins are bound.\*

**Meriva**<sup>®</sup> **Curcumin Phytosome** is a bioavailable turmeric extract shown to offer superior absorption & efficacy. **Helps fight inflammation & free radicals** to optimize liver function.\*

**Beet Root, Artichoke, Dandelion & Black Radish** - provide synergistic, all-natural liver & gall bladder support.\*
