

Want more energy and strength? SarcoSelect DF[®] can help!

Sarcopenia is the natural, *age-related loss of muscle tissue*. Sarcopenia leads to a loss in overall strength & vitality because muscle cells contain tiny structures (*mitochondria*) that **produce energy for the entire body**. Skeletal muscle also contains *insulin receptors* that support **blood sugar balance** and a **healthy, active metabolism**. You need your muscle! Quality protein plus researched support factors can **help maintain & increase muscle mass, optimize quality of life and improve clinical outcomes** in adults of all ages.*

SarcoSelect DF[®] is a revolutionary, **DAIRY-FREE** protein shake designed by clinicians to help **optimize muscle physiology & improve quality of life.***

- **ORGANIC PEA PROTEIN ISOLATE plus added LEUCINE** — **boosts muscle synthesis.***
- **Natural, balanced nutrition** — healthy ratio of natural proteins, fats & carbohydrates.*
- Activated B-COMPLEX VITAMINS with **methylated folate (5-MTHF)** — supports healthy energy levels and healthy, calm nervous system function.*
- Fully-chelated **MINERALS** from Albion[™] Laboratories — **maximum absorption & benefits.***
- **Powerful anti-inflammation support** from researched Meriva[®] **CURCUMIN** phytosome.*
- Creamy texture & **tasty natural vanilla flavor** — mix with water/milk or add to a smoothie!*
